This isn't your ordinary ride bell. It's the PGR Gremlin Bell! It has a very specific purpose. To ward off evil road gremlins. These evil gremlins can't stand the noise a bell makes when it rings, therefore they get confused and fall off your bike. Now if that ain't enough to get your interest, just take a look at this bell. How cool is that?

RIDE BELL \$13.75

HOTH Pin - This beautiful pin will grab attention wherever you wear it. The green, blue, and gold styling will stand out and make this pin a great conversation starter. What better way to get people interested in our Help On The Home front program.

\$3.00 HOTH PIN

This is the first "Design a Patch" winner! Our thanks and congratulations go to Mike Spear for coming up with this excellent design. This patch is 3.5 inches in diameter and fully embroidered. Wear it proud!
