NW Regional Ride captain has resigned effective immediately. Cullin Ritchey.
So we do not have a NW Regional RC right now.

Jeff is now acting NW Regional acting captain.

Vp of Operations
Coordinator for the Director of Operations
That would be below the Director of Operations

2 months to get it in place – 6 months to get it done well.
Herb said that he is going to get someone appointed by this weekend.
He thinks that the person will ask Herb to stay on as the Director of Ops
Herb's term is up in May

Coordinator would coordinate all of the teams – web teams etc
If the VP of Ops is going to be a Manager, what is the need of the coordinator?
Wouldn't someone from one of teams be able to take over the role? Herb says that most of those people are not technical people.

Good ole boy network, we have this volunteer coordinator, we have this person taking care of the sub groups, do we really need a VP of Operations? Herb says that we really need someone that understand IT stuff, advocate for the IT stuff.

The director and VP are the ones that understands all of the IT stuff but the coordinator is the one that does all of the hands on stuff.

VP of Operations would actually have a Deputy. It would be a Deputy of VP of Operations. Not the Director of Operations.

Herb is going to appoint a Deputy of VP of Operations within the next 24-48 hours.

Whoever becomes the VP of Operations can appoint a Deputy of VP of Operations. The same person can fill both Deputy and Director.

Next meeting will be in Google Meets, not on Zoom.

Got the latest thing from the lawyer Certificate of Allowance – Patriot Guard.

Dan Halverson – American Legion/Patriot Guard

We filed for the trademark on Patriot Guard – ie. As a support group.
Commercialization of the trademark in the next 6 months

Opportunity to use it in other ways. Not just with motorcycles.
